

The Most Expensive Home for Sale in the US: Part 1

By LXTV

What could the most expensive home for sale in the US have to offer? Developer Bruce Makosky and agent Shawn Elliott give us a tour. For \$250,000,000, you can have your own bowling alley, helicopter and helipad, a \$30,000,000 car collection, and some of the world's biggest TV screens. And that's just the tip of the iceberg! This episode of Open House was filmed at 880 Fifth Avenue, 9C, New York, NY.
